

Small Groups Page Checklist

A free checklist from ChurchCreation.com

THE PAGE ITSELF

- ☐ A 2–3 sentence "why join a group" intro (belonging, not logistics)
- ☐ A prominent group finder (not buried below the fold)
- ☐ Real photos of real groups — not stock
- ☐ A short FAQ (what is a group, how do I join, do I have to commit)
- ☐ Mobile-first — filters & cards collapse cleanly
- ☐ One clear "not sure? talk to us" fallback

THE GROUP FINDER

- ☐ Filter by day of week
- ☐ Filter by campus / location (distance if multisite)
- ☐ Filter by life stage / audience
- ☐ Filter by topic / group type
- ☐ Online vs in-person toggle
- ☐ Kid-friendly & accessibility options

EACH GROUP CARD

- ☐ Real group photo
- ☐ Group name + type tag
- ☐ Leader name(s)
- ☐ Day, time & location (or Online)
- ☐ Who it's for + one-line description
- ☐ Openings / capacity status
- ☐ One clear button (Join / Request to Join)

THE SIGN-UP FLOW

- ☐ Browse before any account/login is required
- ☐ Three group types: Open · Request-to-Join · Closed
- ☐ Capture only name, email, phone
- ☐ The leader is notified and makes first contact
- ☐ A confirmation + "what happens next" message
- ☐ Sync the finder to your ChMS (one source of truth)
